

We are sending this communication to request that you not expand the service of LPFM stations. We are to understand that doing so would severely limit our favorite Radio Station K-LOVE from being received in some areas of the USA. K-LOVE serves our local community, as well as communities throughout the country, by providing wholesome family oriented music and programming. We never have to worry about the content of anything being broadcast on K-LOVE. The negative impact if we were to lose our ability to receive K-LOVE would be tremendous as there are not any other stations locally that compare to K-LOVE's quality, wholesome, positive & encouraging content. We believe it is in the public's best interest to keep in place our ability to listen to K-LOVE and we hope that you make a decision that is in the best interest of the public and positive family values. Thank You!
